**Subject: Technoform Coolstream Premium Coolant**

Dear Peter,

This letter confirms the suitability of the following Technoform coolant for use in Ford vehicles for service.

Where material to WSS-M97B44-D is specified we accept the use of Technoform Coolstream Premium Coolant.

These materials would be subject to the same servicing requirements as specified in Workshop Manuals, Owner Handbooks and other Technical Literature.

Best Regards

Mark V. Swain  
Materials Technologist
