Re: Your request related to Freecor QFC

Dear,

We herewith certify that **Arteco n.v.** is supplying Technoform with the coolant Freecor QFC+B (RL04), which is approved by VW according to specification TL-774J = G13.

We understand Technoform will rebrand this product as **CoolStream G13**

This statement is valid for 24 months.

With best regards

Senne Degroote
Product Management Representative
