Date: 3/25/2010

Subject: Notification of decision regarding test result submitted in support of an application for permission to reblend a previously qualified DEXRON[®]-VI an automatic transmission fluid.

Dear : Osmushnikov Vladimir

The automatic transmission fluid identified as applicant: GPN-11-02-09-12
and coded by this laboratory as: AR-10711

has been tested and evaluated as requested. A copy of the General Motors decision indicating this fluid has met the minimum eligibility requirements for General Motors DEXRON[®]-VI automatic transmission fluid licensing is attached. Applicants having eligible fluids are instructed to apply on the proper form directly to General Motors for license to use the mark DEXRON[®]-VI with such fluids and for assignment of an identification number therefore.

**** NOTE ****

DEXRON[®]-VI test results and evaluations are valid for one year from the above date.

Very truly yours,

Intertek Group Plc

cc: General Motors with Form K attached if above identified fluid was found eligible
